

Personal Info.

Good points today Bill. Needed until it isn't. That's what I have been saying as well.

I have to ask BB. Where is commissioner on the act. I think her speaking about it's utility then and now would help the government right now. 2 cents worth

Wed, Feb 23, 6:25 PM

She has been good in internal briefings but I agree people would be greatly reassured with stronger public messaging that they have got it from here.

I watched your speech. Very good.
